

## S-Classic- Rotary fan controller with separate on/off switch, 400VA

E32V400F

### Main

|                           |                  |
|---------------------------|------------------|
| Range                     | S-Classic        |
| Product or component type | Fan controller   |
| Device application        | Control          |
| Device presentation       | Complete product |
| Product brand             | Clipsal          |

### Complementary

|                                |                       |
|--------------------------------|-----------------------|
| Number of gangs                | 1 gang                |
| Control type                   | Rocker<br>Rotary knob |
| Rated current                  | 10 AX                 |
| [Ue] rated operational voltage | 250 V                 |
| Rated operational power in VA  | 400 VA                |
| Number of terminals            | 2                     |
| Product destination            | Exhaust fan           |
| Material                       | PC (polycarbonate)    |
| Height                         | 87 mm                 |
| Width                          | 87 mm                 |

### Environment

|           |              |
|-----------|--------------|
| Standards | BS 1363:1995 |
|-----------|--------------|

### Packing Units

|                              |      |
|------------------------------|------|
| Unit Type of Package 1       | PCE  |
| Number of Units in Package 1 | 1    |
| Package 1 Weight             | 85 g |

## Environmental Data

Schneider Electric aims to achieve Net Zero status by 2050 through supply chain partnerships, lower impact materials, and circularity via our ongoing “Use Better, Use Longer, Use Again” campaign to extend product lifetimes and recyclability.
